

# Preserving the Islamic Identity

State & National Youth Forums

# Preserving the Islamic Identity

Calling all Muslim youth aged 14 to 25.

Do you have questions about your faith and seek answers?

Do you sometimes struggle to respond to different theories that discard the role or existence of an All Powerful and Knowing Creator?

Do you want to empower yourself with knowledge and faith to assist other Muslims who might be going through challenges in their faith?

# Preserving the Islamic Identity

---

- Join us for powerful 20-minute presentations by each of the below speakers, followed by an interactive discussion where you can ask the most difficult questions about your faith.
- Shaykh Wesam Cherkawi
